

[Intro]

**Cmaj7 Bm7 Bbmaj9 G6 G6add2**

[Verse 1]

**Cmaj7**  
I hope

**Bm7**  
That the fire we both made

**Bbmaj9 G6 G6add2**  
Still burns a little in you

**Cmaj7**  
I wrote, to you

**Bm7 Bbmaj9 G6 G6add2**  
Everyday, did my letters find their way?

**Cmaj7**  
Our memories on my screen

**Bm7**  
Two lovers in this mystic dream

**Bbm7 G6 G6add2**  
Baby come back to me, come back to me

**Cmaj7**  
Too much time on my phone

**Bm7**  
Baby do you still sleep alone?

**Bbm7 G6 G6add2**  
Come back to me, come back to me

[Chorus]

**Em7**  
Remember me

**Bm/F# C6/G Em7**  
Fresh out a black and white movie, movie

**Em7**  
On every screen

**Bm/F#**  
What would you realize

**Dm/A** **Fmaj7**  
What you meant to me, it was a mystery

**Em7**  
Remember me

**Bm/F#** **C6/G** **Em7**  
Fresh out a black and white movie, movie

**Em7**  
On every screen

**Bm/F#**  
What would you realize

**Dm/A** **Fmaj7**  
What you meant to me, it was a mystery

[Verse 2]

**Cmaj7**  
I heard

**Bm7**  
That you moved somewhere far away

**Bbmaj9** **G6** **G6add2**  
Is your number the same as before?

**Cmaj7**  
Can't ignore, the time

**Bm7**  
May have changed your ways

**Bbmaj9** **G6** **G6add2**  
Does my record still hang on your wall?

**Cmaj7**  
Such a sentimental way to groove

**Bm7**  
I hope it still touches you

**Bbmaj9** **G6** **G6add2**  
Baby come back to me, come back to me

**Cmaj7**  
It kills me to see you leave

**Bm7**  
So I came home and made this beat

**Bbmaj9**                      **G6**                      **G6add2**  
Baby come back to me, come back to me

[Chorus]

**Em7**  
Remember me

**Bm/F#**                                      **C6/G**    **Em7**  
Fresh out a black and white movie, movie

**Em7**  
On every screen

**Bm/F#**  
What would you realize

**Dm/A**                                      **Fmaj7**  
What you meant to me, it was a mystery

**Em7**  
Remember me

**Bm/F#**                                      **C6/G**    **Em7**  
Fresh out a black and white movie, movie

**Em7**  
On every screen

**Bm/F#**  
What would you realize

**Dm/A**                                      **Fmaj7**  
What you meant to me, it was a mystery

[Solo]

[Outro]

**Cm7**  
Remember me, let's set the scene

**Gm/D**  
You and me, what could've been

**Cmaj7\***  
Still swimming in a lover's dream  
  
Still playing on the movie screens

**Cm7**

Remember me, let's set the scene

**Gm/D**

You and me, what could've been

**Cmaj7\***

Still swimming in a lover's dream

Still playing on the movie screens

**Cm7**

Remember me, let's set the scene

**Gm/D**

You and me, what could've been

**Cmaj7\***

Still swimming in a lover's dream

Still playing on the movie screens

**Cm7**

Remember me, let's set the scene

**Gm/D**

You and me, what could've been
